## **Credit Hour Requirements**

MSW Core	33	MPH Core	24	
MSW Electives	5	MPH Electives	6	
MSW Practicum	14			
Total MSW	52	Total MPH	30	MSW/MPH = 82

#### Grades:

- Students must earn a C+ or better in each of the MSW required courses including Practicum to take the second course in any sequenced courses (e.g., Practice I and Practice II) and in order to move forward in the program
- Students must earn a B- or better in all MPH courses
- Students must maintain a cumulative 3.0 GPA in order to be in good academic standing

#### **MSW Area of focus:**

• Health in Social Work

## Coursework:

- All first year MSW courses are held during the day on Tuesdays and Wednesdays and second/third year MSW courses are held during the day on Thursdays and Fridays
- Courses may not count for the other program's requirements (i.e., MSW elective counting toward MPH elective)

#### Practicum:

• MSW Practicum (fieldwork) is completed on weekdays not scheduled for classes. The majority of practicum placements take place during normal business hours. Therefore, evening/weekend opportunities are likely to be limited.

#### **Capstone**:

Students are eligible to enroll in PBHLT 6900 Capstone only after they have completed six of the seven other core courses (PBHLT 6100, 6300, 6400, 6500, 6550, 6600 and 6700).

#### MPH Comprehensive Exam:

After completing PBHLT 6100, 6300, 6400, 6500, 6600, 6700, and 6550, students must pass the Certified in Public Health (CPH) exam. Sign-up by requesting a voucher code for payment. Exam is offered year-round but students must be registered for a minimum of three credits during the semester in which the exam is taken. Contact the MPH Academic Advisor to obtain a voucher code for payment.

#### Faculty Advising:

Your three faculty committee members are: Dr. Christy Porucznik, Dr. Jim VanDerslice, and Dr. Lisa Gren. It is recommended that you meet with them for 15-20 minutes/semester. They are available for approval of electives, career advising, practicum advising, etc. Please view the office hours for availability.

#### **MPH Practicum:**

Students must submit copies of their MSW practicum documentation to the MPH program upon completion.
