- MSW students must maintain a cumulative 3.0 GPA to be in good academic standing.

Area of Focus:

- Students in the Child Welfare (Title IV-E) MSW Program will take courses in the Child Welfare area of focus.
- Students must complete a Practice course outside their area of focus.
- School Social Work is not an area of focus. School SW courses count as elective credit courses.

Reminders:

- Students in the Child Welfare (Title IV-E) MSW Program must successfully complete a minimum of 60 credit hours to graduate.
- Only courses offered within the Child Welfare (Title IV-E) MSW Program may be taken (section numbers 730, 731).
